

ONLINE RECRUITING *for the Call Center industry*

60% of the work force is open to new job opportunities

- 18% of employed workers are actively searching on the general job boards and aggregators.
- 42% are open to the right job opportunity that fits their skillset.

As the leading Call Center job board, we provide an efficient and cost effective solution to reach the 42% of the people looking for the right opportunity for career advancement.

Solutions Overview

- **Stay in front of a new audience of qualified candidates:**

- **Niche focus** attracts both active and passive candidates
- Help the most qualified candidates find you
- 24/7/365 exposure for ALL positions in ALL locations

Niche - \ 'nich \ n. - a place, employment, or activity for which a person or thing is best fitted.

- Webster's Dictionary

- **Seamless Integration – EASY start-up:**

- Jobs listed on your website will be added/updated to our site twice daily via your job feed or our job wrapping
- Candidates apply at your website
- Reporting and candidate tracking coding included

- **Price/Value ratio insures positive ROI (Return on Investment):**

- Better quality hires reduce attrition rates
- Key Operations hires impact overall Call Center performance
- Cost effective solution to stay in front of qualified candidates all year long
- We fill your recruiting pipeline with qualified candidates who WANT to work for you

Key Differentiators:

- More than a job board... we provide up to date industry content to continually engage our audience
- We do not compete with General Job Boards – we cater to a Call Center audience
- Our social media presence and Marketing objectives are specifically Call Center focused

Put our 16 years of experience to work for you today!

Special Offer:

- UNLIMITED job postings
- 90 day terms or annual discount
- For a limited time, we are waiving job wrapping or job feed fees – Ask us how!
